MEMORANDUM FOR: Deputy Director of Central Intelligence

VIA: Executive Director
Deputy Director for Intelligence

FROM: Robert W. Magee
Director of Personnel

SUBJECT: Senior Intelligence Service Positions
Directorate of Intelligence

1. Action Requested: Your approval to establish within the Office of Global Issues (OGI) the positions of Chief, Civil Technology and Industry Division and Chief, of the recently created, Terrorism Narcotics Analysis Division at the SIS-03 level as specified in paragraph 3.

2. Background: The Position Management and Compensation Division (PMCD) recently completed a survey of OGI. As a result of the survey, PMCD determined that these two positions merit allocation at the SIS-03 level based on their level of management responsibility, program scope, and impact. The attachments to this memorandum provide the rationale for these determinations. To establish the new Chief, Terrorism Narcotics Analysis Division position, the DDI has offered as an offset a vacant SIS-1/2 position (FF053) that is currently in pending reallocation status in the ODDI. This action does not change the DI's current SIS allocation.

3. Recommendation: It is recommended that you approve the following actions:

a. Upgrade the position of Chief, Civil Technology and Industry Division, Office of Global Issues, from SIS-1/2 to SIS-03.

b. Upgrade the position of Chief, Terrorism Narcotics Analysis Division, Office of Global Issues, to SIS-03 utilizing the existing SIS-1/2 allocation of position FF03.
